MNDEN FIGURE SKATING CLUB MEETS AND DECIDES TO LOWER FEES

The executive of the Minden Figure Skating Club met last Wednesday to discuss the fee for membership. Mrs. Betty Trumbull, Mrs. Eileen Crawford and Mrs. Yvonne Arbuthnot, were also present at this meeting along with the present executive.

It was voted unanimously to lower the fees to \$15.00 for the 1st child, \$15.00 for the 2nd child and \$5.00 for each child after. In doing this the executive hopes to get the support of all the mothers, when called, to assist the club in raising money.

MINDEN AREA WEATHER By Phil Graham

Month of October

Average high	53.5
Average low	36
Average for month	44.7
Average for Oct. 1968	49.5
Highest temp. Oct. 11	72
Lowest temp. Oct. 23	13
Rainfall	3.18"
Snowfall	1"
Total precipitation	3.28"

October was a cool but pleasant month, a bit below average in temperature and average amount of rainfall.

The low temperature of 13 degrees on October 23, was a record low for the date.

Last Saturday the Club held a skate exchange at the Arena, but the turnout was very poor. Anyone needing skates or have some to turn in please contact Ruth Greir 171.

Tonight the Intermediates and Seniors will be travelling to Haliburton meeting at the arena 4:30 sharp. Skating will be from 5 to 7 o'clock.

L. M. Frost Awarded Canadian Outstanding Service To Nation Medal

Hon. L. M. Frost was invested this week with the badge of the Companion of the Order of Canada during special awards by Governor General Roland Michener at Ottawa.

The Companion of the Order of Canada is a senior decoration that takes precedence over other awards and was instituted in 1967. Others invested during the ceremony along with the former premier of Ontario was Paul-Emile Cardinal Leger, both of whom received the Companion of the Order of Canada medals, and others who received the Order's Medal of Service.

Mr. Frost, who has been active in military and political affairs for many years, has also been awarded a number of war medals.

His military service covered a span of about 12 years of which four years were active service as a member of the Simcoe Foresters, and five years as Honorary Colonel of the Queen's York Rangers, perpetuating the 20th Canadian Infantry Battalion, 2nd

Division.

Recalling his military service, Mr. Frost recalled driving from his home in his father's horse and buggy to enlist on May 6, 1915, with the 35th Regiment of the Simcoe Foresters, "a unit with which I was to see many years of service."

"This year by television, along with millions of others, I watched men landing on the moon. This story covers the great transition from the horse and buggy days to men in outer space," he commented.

HERE AND THERE

with Fenwick Finch

Sitting in front of the "boob tube" over the week-end I was settling in to watch the football game — in order to keep my vision keen I had a jug of "Usquebagh" beside me and a

partially filled glass which I intended sipping on from time to time. Just as I got interested a knock came to the door. Opening it I found a young chap on the stoop.

"Fenwick," he asked, "could I take a couple of minutes of your time?" "Of Course," I replied, "come on in."

Pointing to the jug and an extra glass I said, "pour yourself a shot, it'll help keep the chill out of the air."

"Thank you, no," he smiled as he handed me a business card. The card read - "Alcoholics Anonymous" represented by Mr. "X". "Of course," I hedged, "I only use this grog for medicinal purposes no other reason."

"That's alright," came the reply, "I was wondering if you could help our organization, we are taking out an ad in the paper but I felt you could assist us. We have had five meetings in Minden and no one has come forward for help — we think this is unusual."

"We also feel," he continued "there are many who need assistance if they could be persuaded to come forward — would you mention this in your column and have them telephone any one of the four numbers in Haliburton. 98R2 — 209 — 696 and 795."

I told him I would and he prepared to leave — he got as far as the door when he returned and, looking at me he said, "On November the 15th we are having our first annual banquet at the Legion Hall in Haliburton, would you consider coming as my guest?"

What could you do to a fellow like that — I accepted.

.....

Got quite a shock in Barrie last week — they charge 20c for a cup of coffee now, there is one redeeming feature — they refer to it as the "Bottomless Cup" which means they keep filling it as long as you can drink it.

That's the kind of coffee I like — I might founder myself trying to stay ahead of them, but it would be worth it.

.....

If you are interested in antiques here's a good deal for someone. My daughter Pat has been forced to move and there is no room in her new residence for an antique settee and chair — for 75 bucks this is a good deal. If you're interested call her at 58J2 and see what happens.

.....

In closing let me tell you Carl Kelly's explanation of my "car Crease". Carl is a jovial mechanic at Manley Motors in Lindsay — he's a real con man and when he tells you anything you believe it. This customer was looking at my car and made the mistake of asking Carl what had happened.

"You won't believe this" said Carl, "but this fellow had his car sitting in his driveway at Minden when this dog chased a bear out of the bush — the bear saw the car at the last minute and was only able to swerve and brush along the side — that's what happened."

The fellow must have bought the story because he wouldn't believe me when I told him the truth.

.....

After some time of not getting the O.P.P. on my TV they are back in rare form — their calls, "very interesting."

Fenwick.

AREA RETRAINING CENTRE OFFICIAL OPENING, TOUR SCHEDULED FOR THURSDAY

Facilities for Ontario's most complete marine mechanics course, electronic calculators, a language laboratory, and heavy machining and welding equipment of a type found in industry will be on display at the official opening of this area's retraining centre in Peterborough, today, November 6th.

Housing the retraining division of Sir Sandford Fleming College, the 40,000 square foot structure contains the most up to date instructional facilities of any in the Province, according to division chairman John W. Fortner.

The city owned building, located just north of Sir Sandford's McDonnell street campus, will be open from 7:30 to 10:00 p.m. There is no auditorium, and opening ceremonies, scheduled for 8:00 p.m., will be held in a large classroom and shown throughout the building by closed circuit television.

Purpose of this arm of the College is to provide academic upgrading to those lacking enough formal education to enter a specific job; basic technical and commercial training at both the pre-apprentice and advanced levels leading to employment; and programs for people who find their skills outdated on the modern labor market.

Administration of the retraining program was passed to Sir Sandford two years ago by the Peterborough board of education. The centre is meant to serve approximately the same area as that of the College, including this area in Haliburton County.

Entrance to the centre is off Bonaccord street, which is one block north of McDonnell, between Monaghan and Park.

CAR ACCIDENT \$900 DAMAGE

Ontario Provincial Police here reported a one car accident on highway 503, near Carnarvon, on Tuesday of last week, at 2:15 p.m.

Driver of the vehicle involved was William McGinty of Haliburton. Damage was estimated at \$900. There was no injuries reported.

Constable Ross Hicks was the investigating officer.

HOW IT ALL BEGAN

It all really began for me back in September of 1965, the exact day was Thursday 2nd.

Some of you may recall the headline on this paper that week, "Griffiths Buys Dime Store." The

type I recall was very bold in 48 point, and filled the full width of our 5 column paper.

The excitement this heading caused has never been surpassed. We had hardly opened up our door for business, when we came across this story about the local Doctor, at that time, Dr. Fred Griffiths, who had been practising medicine in this village for some 15 years, purchased the Ken Currie 5c to \$1.00 Store. Now the story I admit was a little premature, for the deal I believe wasn't to be finalized till the following January, however we had Dr. Griffiths consent to release the story. Mr. Currie was out of town at the time and couldn't be reached for comment, being impatient to get the story in type we published it before Ken arrived home.

Well, therest is history, the ink wasn't dry on the paper when we had Mrs. Griffiths (Libby), the Doc's wife in to see us. She was fumbling and called the old editor everything in the book — the reason being that we didn't have "Dr." in front of "Griffiths Buys Dime Store." On her way out, over her shoulder she added, "your running something here worse than the flash."

Well, then I had Mr. Currie in, who said, "I only leave town for a day, and you sell my business." I was only new in town and felt I had really put my foot in it.

I thought the best thing to do was go visit Dr. Fred to see what his comments were. After talking to him in which we both had a laugh or two, I came away with the feeling that the publicity was going to do him more good than harm, and get my paper off to a flying start — it did just that.

Since that time we have got to know Fred and Libby extremely well, and have done a great deal of business with them, on a friendly basis. But wait till I tell you the ironical part of this story. I read last week in the Scarboro weekly paper where a new bargain warehouse centre was having a grand opening, on Progress Avenue in Toronto. You guessed it, Dr. Fred Griffiths owns this new adventure. Guess what he calls it, not Dr. Griffiths Bargain Centre, but "Frantic Freddie's".

I guess it all began for him back in 1965 as well, when we got his first store off to a thundering start, since that time he has purchased five others in various centers, and no doubt has found out that, not like the Doctoring business, these new ventures have to capture the imagination of the buying public. He has a good flare for promotion and no doubt will be successful in this new Bargain Center. We wish him well, for it was his story that got the Progress off to a good start, back when we began.

THE NATION'S BUSINESS

by William C. Scott, M.P.

Parliament is back in session and the legislative mills are beginning to grind again. What they will produce by the time the summer recess rolls around is anyone's guess.

Normally, the Speech from the Throne that opens each new session of Parliament contains an outline of government plans and its legislative programme. But, this time, the Speech was in such general terms and filled with so many obvious omissions that it is almost impossible to forecast what legislation will be forthcoming.

Canada will continue "to be an active member of the United Nations" for instance, but there is no mention whatsoever about NATO. The voting age is to be lowered to 18 but there is little or no hint of legislation in areas of most concern to Canadians in their late teens or early twenties. Constitutional amendment, extension of the official Languages Act, and correction of regional disparities within Canada are all, according to the Speech from the Throne, to receive attention. But, again, nothing specific was mentioned.

Parliament apparently is to be deluged with "white papers." We may expect to receive a white paper on social welfare, another on taxation and yet others on other topics. But a white paper is not legislation. It is simply a study giving facts about a subject which must be discussed and then put aside until the government either decides to drop the question or draw up appropriate legislation.

This whole atmosphere of vagueness hangs over the Speech from the Throne and Parliament. So far we lack any clear definition of national goals, any declaration purpose, any incentive to national achievement.

Inflation was also mentioned. But, by his own statement to the House of Commons thus far, the Prime Minister shows a reluctance to be positive about this urgent problem and has consistently pushed the whole question onto the newly constituted Prices and Incomes Commission.

This Commission, presented with an all but hopeless task of getting control of inflation by voluntary restraint on the part of labour and business, has already come up against a blank wall. Organized labour has flatly refused co-operation and business, while it has not said "no" has not said "yes" either.

All in all, at this early date in the new session, it is difficult to say what Parliament can accomplish in 1969-70. But it is clear that a greater sense of urgency, a more positive plan of national achievement and a clearer set of priorities is needed if what is accomplished is to be of real significance.

County School Board Briefs

In his report to the Board on the plans for the new Haliburton Highlands Senior Elementary School to be located on the property of the Haliburton Highlands Education Center, Mr. J. Douglas Hodgson pointed out that plans should begin for the organization of the school programme to be adopted. In order to give leadership to the new project, Mr. Douglas H. Devolin, Principal of the Victoria Street School in Halibur-

ton Village, was made principal of the new Haliburton Highlands Senior Elementary School. Messrs. Stuart Baker, Douglas Devolin, John Rouble and J. Douglas Hodgson have been working with the Architects on these plans.

The Board has adopted the complete plans for the addition to the Archie Stouffer Public School of Minden. Once the Ontario Municipal Board has approved the expenditure, the Board will be

able to tender for the construction of this addition. When completed, the Minden school will have an adjacent Resource Center and Lunchroom, as well as Home Economics, Science, Industrial Arts and Music Rooms.

The addition is to be built between the Archie Stouffer school and the original Minden Public School, thus putting all students in the school complex under one roof. Mr. M. Robertson Herlihey, Technical Director at the Haliburton Highlands Secondary School, and also an Industrial Arts Specialist, has prepared the layout for the Industrial Arts Shop and Mrs. Phyllis Woodcock and Mrs. Marilyn Kuno, Home Economics teachers at the Secondary School, have been working out the details for the Home Economics Room.

Mr. Douglas H. Devolin and Mr. Harold Morgan, Principals of the Victoria Street School in Haliburton and the Archie Stouffer Public School in Minden, presented the format of new report cards for our elementary schools. Mr. Devolin was the Chairman of the committee for report cards for Kindergarten to Grade Four, and Mr. Morgan the Chairman of the committee for the report cards from Grade Five to eight. The Board approved the use of these report cards.

On November 12th, Mr. Lemmer of the Department of Education, will hold a Seminar with the Director and Principals of the County, regarding the Guidance Services offered in our schools.

Mr. F. H. Wilkinson, B.A. M. Ed., Special Education Consultant, will be in our area two days per month. He has now spent one day in Minden, and will visit the Haliburton area on his next trip.

On Monday, September 29th, representatives of the Dysart Fire Department conducted a demonstration on the use of the fire extinguishers and general fire safety practices for all school custodians.

The Board approved Mr. J. F. Rouble's recommendation to have night school courses in Driver Education. The fee would be \$15. non-refundable. It was also approved to increase regular night school fees from \$3.00 to \$5.00.

A Budget Committee for the 1970 Calendar Year has been formed, consisting of all committee chairman and a representative from the Advisory Vocational Committee, namely: Mrs. Dorothy Way, Mrs. Evelyn Hewitt, Mr. Leonard Salvatori, Mr. Ross Anderson, Jr. and Mr. Kenneth Flourde.

HYLAND CREST SENIOR CITIZENS' HOME

HIGHLIGHTS A VOLUNTEER

May we introduce a volunteer who is bringing joy and deep pleasure to the residents of Hyland Crest Senior Citizens' Home.

Mr. Gord Precoor comes to play the violin every Tuesday at 7:00 p.m. He plays request tunes in the lounge and it has become a week long occupation of many residents trying to remember numbers to request, hoping to out wit Mr. Precoor. It has meant digging back into twenty years or more to remember and play some of the requests. He has not been stumped yet.

Mr. Gord Precoor and his violin touch a vital part of each person's memories. The music talks directly to the individuals in a very personal way. At the end of his weekly program, the residents are happy and content and ready to settle down to a comfortable nights sleep. The uniqueness of this very special program is the sensitivity and warmth of Mr. Gord Precoor in his generous giving of his time and talent in such a way that we are all sharing a good experience together.

Volunteers are needed. We do not want your money! We seek a part of you. Have you an hour to give?

McKNIGHT SISSON WEDDING

Minden Gospel Church was decorated with yellow and bronze mums, yellow gladioli and fall colors of wheat, on September 27, when Ruth Caroline Sisson, daughter of Mr. and Mrs. Wesley Sisson of Minden, was united in marriage to Everett Dennis Robert McKnight, son of Mrs. McKnight, also of Minden and the late Harry McKnight.

Rev. Noel McNeill officiated at the 4:00 p.m. ceremony. The soloist, Robert Wunker, of Norland, sang "O Perfect Love", accompanied by Mrs. Robert MacBrien, of Minden, at the piano.

Given in marriage by her father, the bride wore a white floor-length gown of nylon organza over tulle, with a bell-shaped skirt and lily-pointed sleeves. Her flowered headpiece held an elbow-length, four-tiered veil. She carried a nosegay of white mums and red rosebuds.

Carol Hoyle of Brighton was maid of honor. She wore a floor-length gown of yellow nylon organza, covered with lace. Her headdress was a yellow bow, matching her dress and she carried a nosegay of white roses and yellow rosebuds.

Kathy MacBrien of Minden and Christena Precoor of Gelert, were bridesmaids. They wore floor-length gowns of blue nylon organza, covered with lace. Their headdresses were blue bows, matching their dresses and they carried nosegrays of yellow roses and white rosebuds.

Albert Carpenter of Dorset was best man. Ushers were David Sisson, of Minden, brother of the bride, and Tim Hughes of Minden, cousin of the groom.

For the reception at Hyland Crest Auditorium, the bride's mother received wearing a pink dress of acetate crepe with a matching lace jacket and white accessories. Her corsage was of pink roses and white rosebuds. The bridegroom's mother assisted wearing a blue sheath dress of viscose and acetate with white accessories. Her corsage was of white roses and pink rosebuds.

For a honeymoon to Niagara Falls, the bride chose a yellow dress of satin with lace and white accessories. Her corsage was a yellow 'mum.

The newlyweds reside here in Minden.

Out of town guests were present from Oshawa, Buckhorn, Lindsay, Fenelon Falls, Bowmanville, Dunsford, Toronto, Kinmount, Haliburton, Gelert and Ingoldsby.

FALL SEMINAR PLANNED FOR WITNESSES

More than 700 students for the weekend. That is the gathering five Minden-Haliburton area men are sharing in organizing as part of arrangements for a fall seminar of Jehovah's Witnesses in Central Ontario being held in Barrie, November 14 to 16.

The students — Witnesses of all ages — will be attending their semi-annual circuit convention for training of working ministers.

Area men involved are: E. Burke, attendants and immersion; N. Bradshaw, finances; D. Banks, checkroom and lost and found; D. Headworth and T. Andros, public address systems.

Preparations when complete will include everything from immersion facilities for baptism of new ministers to a cafeteria entirely set up and operated by the delegates.

A three-day program has been arranged by the Watch Tower Bible and Tract Society around the theme "Right Kind of Ministers" — Matthew 7:29. Key discourse, Sunday, 3 p.m., will be "True Worship versus The False."

Meeting this week of the local congregation are cancelled as 30 families have indicated they will be attending.

HUNDREDS OF DOLLARS IN OTHER PRIZES

DOLLARS AND GOOD SENSE

by William J. Martin

Dear Mr. Martin

I read your columns sometimes too rigid and unbending — in other words, an unhappy time to people is a budget. Is that your only answer to solving family money problems?

Mrs. B. C.

Basically, yes! Show me a family which doesn't have some kind of a plan, either formal or informal, and I'll show you a family that has got to have some kind of financial problems. A family, regardless of the income, just cannot operate sensibly without following a plan.

Perhaps you object to the word "budget". If that's the case, may-be what we really need here is to re-define the word. I'm sure to many people and perhaps to you, the word "budget" means endless charts and the constant accounting of every penny spent. This is actually the traditional approach. And it has worked. To some families this sort of money control is a source of satisfaction. To others, it's an impossible necessity.

Fortunately, there's a modern way to define "budget." Let's call it simply "a plan for managing income and outgo" and let's gear it to your particular habits, needs, wants, goals and desires. There's only one rigid requirement. Be honest with yourself.

Remember that a modern budget, then, is only a plan. You don't have to stick to it. Life moves at a rapid pace today with New products. New opportunities open up every day. Here's where your real planning should pay off with buying power. The one thing you should realize, however, is that it may begin to put a strain on other areas of family enjoyment. Some adjustments may be necessary.

To others, it's an impossible necessity.

NOW HEAR THIS

By the CBC

The CBC this week mourns the loss of J. Frank Willis, one of the great pioneers of radio and for over 30 years a contributor to CBC radio and television as a performer, broadcaster, and producer. From Halifax, N.S., Willis achieved international prominence with his on-the-spot coverage of the Moose River Mine disaster in 1936. He died suddenly of a heart attack in Toronto, October 28th.

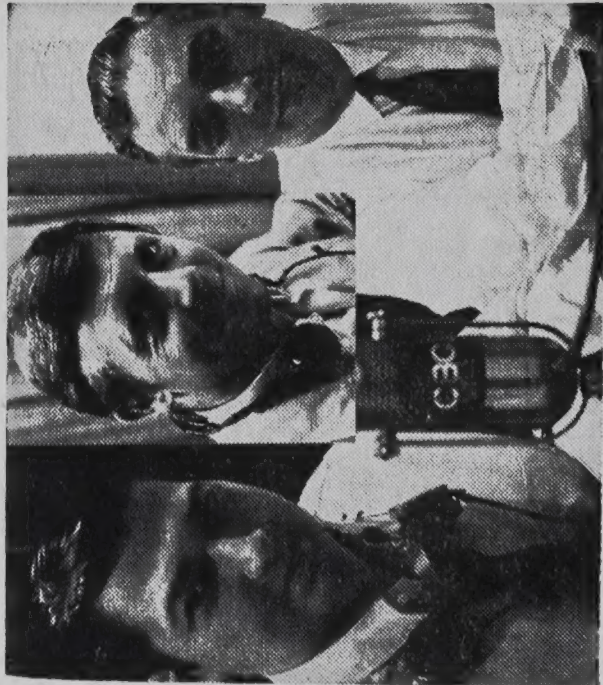

The movie 2001: A Space Odyssey enhanced the already considerable reputation of science-fiction writer Arthur C. Clarke. His story, The Nine Billion Names of God, has been adapted for radio and will be heard as part of a double bill on CBC Stage, November 8th. The other half will be an adaptation of Isaac Asimov's The Feeling of Power.

Science fantasy, with the moon walk of the Apollo 11 astronauts, is fast becoming more fact than fiction. The Apollo 12 space flight is scheduled for blast-off November 14 and CBC radio will cover each exciting stage of their journey to the moon and back.

The traditional Remembrance Day Service at Ottawa's National Cenotaph will be heard on November 11. That evening, CBC Tuesday Night presents a live performance of Benjamin Britten's powerful War Requiem from Toronto's Massey Hall.

Replacing the School Broadcast on November 11 will be a special tribute to Helen Keller, the great American who was both deaf and blind, with the voices of Miss Keller, her famous teacher Anne Sullivan Macy, and the distinguished actress Katherine Cornell.

THE SOUND OF BRITAIN

Bill Paul, Michael Aspel (inset) and Rex Loring are the cheerful trio who host The Sound of Britain every Saturday on the CBC radio network. Bill and Michael banter back and forth across the Atlantic on the Family Favorites segment of the show, with Bill in Toronto and Michael in London. Between popular music they air messages and requests for friends and relatives in both Canada and the U.K. Rex is host for the full two hours of Sound of Britain and his background suits him to the job. Born in Britain he has lived in Canada since the end of the Second World War when he served with the RAF.

And live a little!

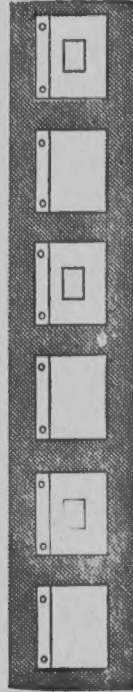

All you need is an automatic washer and electric dryer. With one setting of a simple control, the washer fills itself, washes, drains, rinses, and damp-dries. Then the dryer takes over. Keeps your clean wash free from impurities in the air. Fluffs clothes into a natural shape for easier ironing. And takes special care of your permanent-press garments. There's no hard work. No watching. No waiting. Your time's your own.

You've banished your washday blues!

With an automatic washer and electric dryer, you don't have to do the whole family wash the same day. Do a little at a time. Whenever you feel like it. Even when it's pouring rain.

Get yourself a new automatic washer and electric dryer from your local major appliance dealer, and live a little.

There's a lot of Ted Folsom — his humor, outspokenness and determination — in the character of McQueen, CBC television's new Tuesday night film drama series (9:00 p.m., in color) about a newspaper columnist who rights wrongs and helps people who are victimized. Many scenes in the 26 week series were filmed in a big city newspaper office.

WEDDING ALLAN — HUGHES

At First United Church Port Credit on October 24, 1969 Joyce Allan eldest daughter of Mr. and Mrs. John Allan of Stayner to James Blake Hughes only son of Mr. and Mrs. Robert James Hughes of Minden. Rev. Burdidge officiated.

The bride looked lovely in a white brocaded velvet dress. Shoulder length veil and carried a bouquet of red roses. Her sister Beverley acted as maid of honour, dressed in green brocaded velvet and carried carnations and ivy. Little Miss Faye Allan was flower girl dressed in red brocaded velvet and carried a small basket of flowers.

Mr. Donald Cousins, friend of the groom was best man.

Reception followed at the brides apartment, 206 Lake Shore Road, Port Credit. A very delicious buffet supper was served by Mrs. Allan.

The gifts were numerous and well chosen showing the high esteem in which this young couple are held.

The bride and groom left with showers of good wishes and confetti for a trip to Algonquin Park, and points North.

ABOUT THE TOWN

With Jeanne Sears

Congratulations are due to Mr. and Mrs. Herb Shorter of Minden who celebrated their 50th Wedding Anniversary at the Oshawa Tennis Club on Saturday, October 25th. Many friends and relatives were in attendance.

* * * *

The Rod and Gun Club had a raffle with winners being Lawrence Hogg, for the rifle; J. H. McGrath of Toronto, winner of the Ammunition Belt; A. O. Neill of Trenton winner of the Shells.

* * * *

Former resident and owner of the Dominion Hotel, Steve Rastall took a few days for a hunt with Bill Hounsells gang. Steve is now located at the Dominion House in Stratford.

* * * *

We read where the famous Elizabeth Taylor now possesses the most costly single piece of jewelry, a 33 carat diamond ring. This is as large as a peach stone and flawless. Carter's paid \$1,050,000 and sold it again to Richard Burton, the price was not revealed. This must be something to see.

* * * *

Congratulations to the newlyweds Mr. and Mrs. Sheldon Stoughton (nee Judy Lee) who were married on Saturday with their dance that evening at Haliburton Legion.

* * * *

Mrs. Ella Soanes of Oshawa is enjoying a visit with her sister Mrs. Wm. Cox and seeing other relatives as well.

* * * *

Patients at the Haliburton Hospital early this week were Mrs. Sarah Fader, Mrs. Vera Smith and baby boy, Francis Bates and Gordon Sawyer.

Mr. and Mrs. Ron Davis are happy to announce the arrival of Julie Anne a sister for Jeffrey, born October 12 at St. Mary's Hospital, Timmins. Another grand child for Flo and Earl Hewitt.

* * * *

The ladies of the L.O.B.A. had a successful card party at the Orange Hall with winners being, high for cribbage Evelyn Cox, and for euchre Annie Kernohan and Gordon Kellett, and lone hand on a cut of cards Mrs. E. Lee. After the games all enjoyed the delicious lunch and cup of tea, served by the committee.

* * * *

Mrs. J. Fairfield, Mrs. B. J. Walker, Martin Taylor and Mrs. Marjorie McCaw attended the 70th wedding Anniversary reception of their cousins Mr. and Mrs. Ellison Wainman of North Orillia, held at the home of their son Edward Wainman on Sunday, October 26.

* * * *

Patients at the local hospital early this week were Mrs. Elda Brockman, Mrs. Jessie Giffin, Ernest Giffin, James Hie, Earl Thurston, Linda Shepston, Kelly Baker and Tracy Teatro.

* * * *

Mrs. Vera Cowan has been staying with the Jack Cowan of Phelpston but came home to move into the cabin beside Lyman Cox's. She will be returning to her sons again next week.

Has been a gray week, and rainy weekend, not very good for hunting. The men in red coats arrived anyway. Hope they have fine holidays. Cheerio until next week.

SIXTIETH ANNIVERSARY LAST POST FUND

The Last Post Fund is an organization of public spirited individuals which has, as its primary objective, the Honourable burial of ex-service men or women who served in any of her Majesty's or Allied forces during world wars I and II, or in the Korean campaign, or in earlier wars, and who died without the means or the friends to provide a proper burial.

Organized in 1909 it was supported entirely by voluntary contributions until 1922 when the government of Canada recognized the value of its work and initiated an annual grant from public funds. In 1954 the Last Post Fund regulations were established, authorizing the department of veterans' affairs to reimburse the fund for certain costs incurred in connection with the burial of veterans, and the department is also authorized to pay the cost of the administration of the Fund Headquarters. The Fund still receives and accepts voluntary donations and bequests from organizations and private individuals. It operates from coast to coast in Canada and is the only society of its kind throughout the world.

Total burials so far are almost 34,000; of these, over 33,000 have been in Canada, just over 750 in the United States, almost 100 in the United Kingdom and one in Australia.

In the "Field of Honour", a cemetery owned and operated by the Last Post Fund at Pointe Claire, Quebec, approximately 3,500 ex-service persons are buried. These are veterans who fought in the Indian Mutiny, the Fenian Raids, the Rebellions of 1870 and 1885, the Zulu War of 1878, the South African war, World wars I and II and in Korea. There are Canadians, Imperials, Americans, Poles, French, South Africans, Russians, Italians, Czechoslovakians, Australians, New Zealanders: Over 100 are women. Their history is that of the conflicts and struggles of the last century for national

SET UP CHECK POINTS TO HELP DEER HUNTERS

The department of Lands and Forests fish and wildlife branch has announced they have set up their usual checkpoints this year during the deer hunting season. These will be set up to check licences, ages of deer shot, and to aid hunters in a better hunt.

Three checkpoints will be set up, on highway 28, three miles north of Bailieboro, at Union Creek on highway 121, and just south of Norland on highway 35, operating Saturday, November 8, Sunday, November 9 and Saturday, November 15.

BOOK REVIEWS

Daredevil Goalie, by T. Cohen. Non fiction, Rutledge Books. The real life experiences of Roger Crozier and how he became the pro he is in Hockey.

The Secret World of Og, by P. Berton, Best of Canada, fiction. A modern story written for juniors with a fairy tale slant. Pierre, we understand, wrote this for his children.

Secrets of Magic, by W. Gibson non fiction, Grosset & Dunlop. In this unusual book the true secrets are revealed. This book is well illustrated and gives the origin of each trick.

Lilith, by J. Plaidy, fiction, Robert Hale. In her usual fine style Jean Plaidy writes yet another historical novel in mid-nineteenth century Cornwall and London. Truly a delightful story.

To secure a Last Post Fund Burial you must contact your local representative prior to making any arrangements with the funeral director.

NOTICE

All schools in Haliburton County will be closed on Monday, November 10th and Tuesday, November 11th.

November 10th — Is Professional Development Day, when all Elementary and Secondary School Teachers will meet at the Haliburton Highlands Secondary School to discuss the Hall - Dennis Report. (It might be noted that the other areas, held their Professional Development Day on October 8th., but this Board requested special distensionation to have it held here on November 10th., thus allowing the Secondary School Students some hunting time).

November 11th. — Remembrance Day.

Your Texaco home team presents its new hot water service.

An oil-powered Texaco water heater provides more hot water faster than any other comparable type of unit. Four times faster than gas and eight times faster than electricity.

And it costs you less. Oil is simply the most economical way to heat

cold water. A 30-gallon Texaco water heater will heat 115 gallons of hot water per hour.

It's the best kind of hot water service. It's yours for just pennies a day.

We'll see that you always have the home comfort you desire. Day and Night.

Our teamwork keeps the water hot.

TWO-MAN CREW CANOED

ROUTES IN DISTRICT

by J. A. Van Der Meer,
District Naturalist

In the summer of 1968, a two-man crew canoed many of the waters of the Lindsay Forest District. From the information they gathered the Ontario Department of Lands and Forests has written descriptions of five main canoeing areas in the District.

Those five are: The Gull River Routes, The Burnt River Routes, The Eels Creek Route, The Burleigh-Harvey Township Routes, The Bruton-Clyde Township Route.

Most of these offer more than one alternate route, making a fairly large number of possibilities for the canoeist.

Conditions vary greatly on and the Burleigh-Harvey Routes these areas. The Bruton-Clyde are mostly on Crown land, and hence campsites are readily available. The other three areas have large portions of privately owned land along them, and hence the canoeist should be careful not to trespass. The Gull and Burnt River routes in particular have stretches where there are few or no camping spots due to the ownership of the surrounding land.

The toughest route is the Bruton-Clyde route, and it should not be attempted by the novice. The others range from very easy to fairly hard, but most can be attempted by the once-in-awhile canoeist.

The Bruton-Clyde route is in the bottom two townships of Algonquin Provincial Park and connects up with many other canoe routes in the Park. However, if canoeing on this route between the 2nd Friday in May and the 3rd Sunday in September, the canoeist requires a wilderness camping permit, at \$5.00 for 16 days, or \$1.00 per day for less than 5 days. The other routes have no charge.

Power boats may be encountered on the Gull and Burnt River Routes, and on some of the large lakes of the Burleigh-Harvey Routes, and the canoeist should be prepared to meet these water craft.

Detailed descriptions of all these routes may be obtained by writing to: District Forester, Department of Lands and Forests, 322 Kent St. W., Lindsay, Ont.

YOUR EXCLUSIVE MOTO-SKI DEALER FOR MINDEN

And never again will they say

"HEY DAD ... HOW COME THE OTHER KIDS ALWAYS HAVE ALL THE FUN?"

There's a lot to be said for the 1970 MOTO-SKI. But for the thrill that beats all thrills, consider this: you drive into your yard. It's wintery cold and a little afterdark. The family doesn't know you're bringing home a spankin' new 1970 MOTO-SKI (nothing wrong with making that kind of decision on your own!). You walk into the house (yawn once or twice) and say to the kids, "Hey kids! How about bringing in those bundles from the back of the car?"

That's the kind of thrill that young folks remember best about growin' up. But it's just the beginning. When you buy one of these 1970 family lovin' MOTO-SKIs, you'll make them like they're "the other kid". The one that always has all the fun!
